To the Officers and Members of the Kansas City Wood Carvers Club, Inc.

I have reviewed the books of the Kansas City Wood Carvers Club, Inc for the periods as noted. My review includes comparison of the monthly statements from Interstate Savings (September 30, 2005 thru August 30, 2008), the Treasurer's Reports (October 2005 thru August 2008), the Check Book Register (September 30, 2005 thru September 13, 2008), and the Show Reports (May 2006, June 2007, and July 2008). I have found the deposits, expenses, and balances shown in these documents to be in agreement. I have found the books to be in good order with no changes needing to be made as a result of this audit. My audit was completed September 26, 2008.

Todd Ramsay, the club treasurer for the period audited, deserves the gratitude of the club for a job well done.
